

Solving a Problem in the New Normal

If you need help or support with anything, this is how you can go about getting some help:

- 1. Email or googleclassroom your form teacher when you get home;**
- 2. Talk to the classroom assistant who works with your class if you need help during the school day;**
- 3. Talk to any of your subject teachers, especially if your problem is about your work;**
- 4. Ask a parent/guardian to email your form teacher for you.**

If you need someone else to help with a particular problem, our leaflet Who Can I Turn To? is on our school website. You can find the name of the right person to solve your problem, and your form teacher or classroom assistant will be able to put you in touch.

If you have a safeguarding problem, you should ask to see one of the safeguarding team: Kevin Lambe; Karen Caulfield (designated teacher); Derek Bailey (deputy designated teacher); Danella Goodman (pastoral manager); Aine Harrison (safeguarding trainer).
